Message from the Assistant Principal

Dear Students and Parents,

I am once again honored and excited to start another “MAGICAL” year at Royal Green Elementary. I am eager to begin this new year and start what I know will be a productive school year full of learning and memorable experiences! Please know that I will again work very diligently along with the teachers and the support personal at our school to ensure that our children feel appreciated and are excited about learning!

Once again Royal Green Elementary has proven to be an “A” school and this is thanks to the team effort that has been evident throughout the years. As the saying goes, “It takes a village to raise a child.” We, together as parents and school professionals are in the perfect position to provide the greatest educational benefit for our students. In addition, we have been designated as a “Silver Stem School” because of our implementation of the S.T.E.M Curriculum! With your assistance and support, I know that our children will continue to make significant academic gains as well as develop both socially and emotionally.

I look forward to continue creating positive lasting relationships with you and your family so that we could make this 2019-2020 a “MAGICAL” year!

Sincerely,

Mrs. Martha Ortega

School Information

- **Early Sign Out**
  The early release of students causes disruption to the academic performance of all students and may create safety and security concerns. No students shall be released within the final thirty (30) minutes of the school day unless authorized by the Principal or Principal’s designee (i.e., emergency, sickness).

- **Late Arrival**
  Students who are tardy to school must report to the Attendance Office to secure an admit. Excessive tardies may result in loss of privileges, detention, parent conference, and/or suspension.

- **Lost and Found School Policy**
  Please be sure your child’s name is on all personal possessions such as coats, sweaters, lunchboxes, raincoats, book bags, etc. Lost articles will be placed in the “Lost & Found” cabinet located next to the students’ bathrooms in the cafeteria. Items unclaimed will be donated to charity twice a year.

- **Opening and Closing Hours of Schools**
  The school day begins at 8:20 am for Pre-K thru 1st grade, and 8:35 am for 2nd thru 5th grade. There is paid Before School Care Program beginning at 7:00 a.m. to supervise students. **Students who are not enrolled in the Before School Care Program may not be dropped off before 7:30 am as there is no supervision available.**

  Pre-Kindergarten, Kindergarten and first grade students are dismissed at 1:50 p.m. daily. Second through fifth grade students are dismissed at 3:05 p.m. daily with the exception of Wednesday. Wednesday’s dismissal time is 1:50 p.m. for all grades. It is most important that the person responsible for picking up the child is at school at the time of dismissal. The school cannot assume responsibility for children after the dismissal time unless the child is involved in the said After School Care Program that is available until 6:00 p.m. If before or after care supervision is needed, please call the aftercare office at: (305) 223-5127 for information.

Academic Programs – Student Progression Plan (SPP)
Provides guidance to teachers, school and district administrators, parents and other stakeholders regarding the requirements and procedures for students to progress from one grade to the next, kindergarten through grade 12 and adult education. The information presented in this document is derived from requirements set forth by Florida Statues, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

Before/After School Care Program & Middle School Enrichment After School Program
For those parents considering going back to work and/or are presently working, there are 224 low cost Before and After School Care programs that serve both Elementary and K-8 Center students and 62 Middle School Enrichment After School programs that help tutor middle school students throughout the Miami-Dade County School district. Each of these programs are staffed with state certified instructors, state certified program managers, or state certified activity leaders who are all prepared to enrich and expand the after-school experience of the students they serve.

This year, Miami-Dade County Public Schools will offer 286 After School programs on school days. Before-school care programs will be provided as needed.

After-school care programs are conducted from the time of school dismissal until 6:00 p.m. Before-school care programs begin approximately one hour before school starts. Summer Camp operates from 7:00 a.m. until 6:00 p.m. Parents should check with their child's school for specific start times.

All after-school care programs provide planned activities, which include homework assistance, indoor and outdoor games, arts and crafts, snack time and various recreational activities. Many programs offer reading and math tutoring, music, ceramics, chess, drama and other classes designed to provide participants with a variety of educational and enrichment experiences. Before-school care programs provide supervised, quiet activities for students.

The cost of Elementary and K-8 after school care is $40 per week; the cost of Middle School Enrichment after school care is $40 per week; the cost of before school care is $20 per week and the cost of Summer Camp is $100.00 per week. These programs are offered by one of seven providers:
- Miami-Dade County Public Schools Principal Operated Before After-School Programs
- Young Men's Christian Association (YMCA)
Bring Your Own Device (BYOD)

Bring Your Own Device allows students, parents, staff and guests to integrate the utilization of technology devices at specified times during the instructional day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets, Mac laptops, Android tablets, and iPads.

Clinic

The health and physical well-being of all students is a matter of great concern to us. Royal Green Elementary is Health Connect School with a clinic and a team of professionals including a nurse, nurse practitioner and social worker. Students who become ill will be sent to the clinic to see the nurse or nurse practitioner, and parents will be contacted. For this reason, it is most important that we are notified immediately if a telephone number is changed and that emergency contact information be kept up-to-date. We appreciate your making arrangements to take your child home promptly in order to receive adequate care. In the beginning of the school year, the clinic personnel will send home information along with a consent form giving permission to them to treat your child(ren) with first aide.

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Cyberbullying

Cyberbullying is a form of bullying that takes place virtually over digital devices such as computers, smartphones, and tablets. Cyberbullying most commonly takes place via social media, texting, instant messaging, and email. Say NO to cyberbullying! If you or someone you know is being bullied, report this information to the Bullying/Harassment Anonymous Hotline at 305-995-CARE (2273). Resources:

- StopBullying.gov

Discrimination/Harassment

The School Board has a prohibition against discrimination/harassment based on sex, race, color, ethnic or national origin, citizenship status, religion, marital status, disability, genetic information, age, political beliefs, sexual orientation, gender, gender identification, social and family background, linguistic preference, pregnancy, and any other basis prohibited by law. Students are encouraged to promptly report incidents of discriminatory or harassing conduct to their Principal or the Office of Civil Rights Compliance (CRC) so that the conduct can be addressed before it becomes severe, pervasive, or persistent. The School Board has also adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and
chronically inflicting physical harm or psychological distress on one or more students. Complaints of bullying should be reported to the Principal promptly.

Rainy Day Dismissal
Each parent and child should develop a plan for rainy day dismissal. Because of the limited availability of phones, the plan should not be “call home”. Emergency Contact Information
Emergency Student Data Forms are distributed during the first week of school. Students are expected to bring the forms home and present them to their parents/guardians. The form must be carefully completed and returned. The information provided on the Emergency Student Data Forms will enable school staff to contact the parent/guardian immediately in the case of an emergency. Parent/Guardian(s) that provide a cell phone number will receive text messages should an emergency arise. Students may only be released from school to the persons listed on the form after presenting a picture identification. No persons, other than school staff, will have access to the information submitted. Any divorced or separated parent contesting the information in the Emergency Student Data Form may seek assistance from the court governing their divorce, separation, or custody matters to compel the enrolling parent to revise the information.

Fieldtrips
All fieldtrips must be approved by the principal and Region Superintendent. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. In addition, at times vendors who have a “no refund” policy will require schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor’s “no refund” policy.

Homework
Principals are encouraged to work with teachers and parents to implement guidelines found in Homework Policy 2330. Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).

- Homework Plan
  HOMEWORK POLICY / MAKE-UP ASSIGNMENTS
  Home learning is an integral factor in fostering the academic achievement of students. Regular home learning should provide reinforcement and extension of class instruction and serve as a basis for further study and preparation for future class assignments. Home learning also provides opportunities for developmental practice, drill, the application of skills already learned, the development of independent study skills, enrichment activities, and self-discipline. Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).

Student’s Responsibilities:
1. To understand all homework assignments by listening to directions, asking questions when something is unclear and reading directions.
2. To gather all materials necessary to complete assignments before leaving the classroom.
3. returning home learning assignments to the teacher by the designated time.
4. submitting home learning assignments which reflect careful attention to detail and quality of work.
5. obtaining parent’s initials next to assignment in handbook, if requested by teacher.
Parent’s Responsibilities include:
1. Providing continued interest and concern for the child’s successful performance in school through encouraging and supporting the child in his/her performance of the home learning/projects/work assigned and abiding by timeline.
2. Indicating an interest about assignments and assisting, if possible, when requested by the child, but not to include performing the work for the child.
3. Supporting the school in regard to the student being assigned home learning assignments.
4. Regular backpack clean-ups can be useful in helping students to organize their materials.

Teacher’s Responsibilities:
1. To provide purposeful homework.
2. To provide clear directions and instructions.
3. To implement a system for routinely checking homework.
4. To communicate to the student and family what is expected for completing homework successfully.
5. To communicate with families when students are not consistently completing assignments.

Recommended Time Allotments for Homework
The following indicates what we believe is approximately the appropriate amount of time for children in each grade to spend on homework. If your child diligently does his/her homework for the maximum allotted time and does not complete it, you may write a note to the teacher explaining the situation. If this is an ongoing problem, please make arrangements to talk to the teacher.
- A. K-1: thirty (30) minutes;
- B. 2-3: forty-five (45) minutes;
- C. 4-5: sixty (60) minutes

Rewards for completing Homework
1. In house field trips.
2. Special treats.
3. Quarterly basis rewards.

Consequences for NOT Completing Homework
Students not completing their homework assignments may not participate in extra-curricular activities such as dances, field trips, etc. among other activities.

Mealtime Environment
School lunchtime should be an opportunity to encourage healthy lifestyle, promote socialization that will affect early behaviors.

The Department of Food and Nutrition serves healthy meals daily. Please visit nutrition.dadeschools.net for details on menus, programs, and services.
**Free Breakfast**  
Miami-Dade County Public Schools offers breakfast free of charge to all M-DCPS Students. The breakfast at no charge is not dependent on the student qualifying for free/reduced price meals at lunch.

Protocol for Addressing Parental Concerns
Parents may generally address their complaints or concerns to the school administration, which may be followed by Region and District department review by appropriate. For issues involving an individual teacher or class, parent/guardian address their concerns to the following individuals in the order below.
Public-Private Collaboration
Requests for private instructional personnel to collaborate with public instructional personnel in
the educational setting should be directed to the Principal for application of District procedures.

Recess
Recess is supervised, unstructured playtime where children have choices, develop rules for play
and release energy and stress. Recess will be conducted outdoors when weather permits. In
the case of inclement weather, appropriate recess activities will be conducted indoors.
Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess
each week for students in kindergarten through grade 5, so that there are at least 20 consecutive
minutes of free-play recess per day.

Safety and Security
- **Code Yellow/ Code Red**
In the event of an emergency, the primary responsibility of all school personnel is to
provide for the safety of all students. In the event a school administrator announces a
possible threat to students and staff safety exists within the community (Code Yellow), or
an imminent threat to students and staff safety exists within the school (Code Red)
students, faculty and staff will comply with all the procedures outlined in the Miami-Dade
County Public Schools Critical Incident Response Plan and remain on lockdown until a
school administrator makes an “All Clear” announcement.

- **Emergency Operations Plan**
Student and employee safety is a primary concern of the Miami-Dade County Public
School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide
school personnel with the necessary leadership skills and knowledge needed to respond
to critical incidents or other related emergencies that may occur in our schools/community.
All schools have a site-specific plan to address all types of critical incidents. These plans
address the individual needs of the school and provide guidelines for devising methods
for communicating with the staff, students, parents/guardians, and the media during a
critical incident or an emergency. Some of the protective action procedures include
emergency drills/active shooter drills, the evacuation of students/staff from the building(s),
evacuation of the disabled and if necessary, the relocation of students/staff from the
school campus, lockdown procedures and holding/dismissing students during school and
community emergencies. Some important tips for parents/guardians to remember during
a Critical Incident are as follows:
  o Remain calm;
  o Monitor media outlets for updates and official messages from M-DCPS;
  o Do not flood the school with telephone calls; and
  o If the school is on lockdown, wait until the lockdown is lifted before going to the
    school.
All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

Fire Drills
Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

Lockdown Procedures
Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator and/or law enforcement makes an “All Clear” announcement.

Threat Assessments
Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessment. A threat assessment is a problem-solving approach to violence prevention that involves assessment and intervention with students who have threatened violence in some way. When a preliminary determination is made, by the school administrator or designee, that a student poses a threat of violence or physical harm to him/herself or others is known, a Threat Assessment Team (TAT) shall be notified and shall convene to determine the best course of action. Authorized members of the TAT may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services. Threat assessment and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

Visitors
Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. Visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest. Safety of our students is our highest priority. To better control access to Royal Green Elementary and to provide enhanced protection for our students, staff and visitors, we will continue using our electronic visitor management system V-Soft Raptor System. **All visitors must present a government issued photo ID.** Once a visitor is cleared, a visitor’s badge will be issued, and visitors will be allowed to proceed to the main office.
School Activities/Clubs
All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- **Clubs**
  Miami-Dade County Public Schools’ students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

  Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

- **School Club List**
  Art Club
  Cheerleading for ASC Students

School Class Picture Process
The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer’s staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

School Transportation
Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for students with special needs in some instances.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick-up and delivery. Information on student bus assignments will be posted on the Parent Portal at [www.dadeschools.net](http://www.dadeschools.net). The information on bus assignments on the Parent Portal is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children’s bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Special Education/Section 504
The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state’s eligibility criteria and the parent/guardian consents to initial placement.

Students who are not eligible for specially designed instruction and related services in accordance with state eligibility categories but have a disability that substantially affects a major life activity may be eligible for accommodations pursuant to Section 504 of the Rehabilitation Act of 1973.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at http://ese.dadeschools.net/.

Student Records
The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

Student Services
The Division of Student Services provides prevention and intervention services to PK-Adult students throughout the District. These services focus on the elimination of social and emotional barriers that inhibit students’ academic success and prepare students to be college and career ready. An integrated team of uniquely trained student services professionals deliver these direct services to students.

Student Success Centers
The Student Success Centers provide an educational setting and safe-haven for referred students (ages 11 and older) exhibiting Level III-IV behavior and (with Region approval) habitual Level II infractions of the Code of Student Conduct.
The Parent Academy

Miami-Dade County Public Schools created The Parent Academy to bridge the gap between home and school by connecting parents to valuable resources and information, which answers questions on topics that impact children’s lives, including helping children learn, parenting skills, financial management, and health and wellness.

The Parent Academy supports parents in becoming more involved in their children’s education and empowers them to set and achieve personal empowerment goals for higher education and career advancement by providing free, year-round workshops, classes and events at schools, libraries, parks, colleges, private businesses and neighborhood centers across the county.

Parents can participate in workshops and classes that are aligned to their needs and convenient to their homes and workplaces. Upcoming events and workshop offerings are listed on The Parent Academy website at parentacademymiami.com. For additional information, please call The Parent Academy at 305-995-2680 or The Department of Family Support Services at 305-271-8257.

Transgender and Gender Non-Conforming Students

The School Board of Miami-Dade County has adopted comprehensive anti-discrimination and anti-bullying policies that require all students be treated with respect regardless of their unique characteristics, including sexual orientation or gender identity. Every student has the right to learn in a safe and accepting school environment and schools have a responsibility to provide a safe and nondiscriminatory environment for all students, including transgender and gender nonconforming students.

These guidelines are intended to promote a positive, proactive approach that upholds and protects the rights of transgender and gender nonconforming students; and best practices to ensure that transgender students and gender nonconforming students have equitable access to all aspects of school life (academic, extracurricular and social) in ways that preserve and protect their dignity.

Verifications of Residency

If verification is not provided or acceptable, the Superintendent may verify the student's residence.

Anyone who knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his/her official duty is guilty of a second-degree misdemeanor of the second degree under F.S. 837.06. In addition, anyone who knowingly makes a false verified declaration is guilty of perjury, a third-degree felony under F.S. 95.525.
